1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Simon Crosier Act”.

5 **SEC. 2. MEDICARE AND MEDICAID REQUIREMENTS FOR**
6 **CERTAIN POLICIES RELATING TO DO-NOT-RE-**
7 **SUSCITATE ORDERS OR SIMILAR PHYSI-**
8 **CIAN'S ORDERS.**

9 (a) MEDICARE PROVIDER AGREEMENT REQUIRE-
10 MENT.—

11 (1) IN GENERAL.—Section 1866(f) of the Social
12 Security Act (42 U.S.C. 1395cc(f)) is amended by
13 adding at the end the following new paragraphs:

14 “(5) For purposes of subsection (a)(1)(Q) and
15 sections 1819(c)(1)(E), 1833(s), 1852(i),
16 1876(c)(8), and 1891(a)(6), the requirement of this
17 subsection, in addition to paragraph (1), is that a
18 provider of services, MA organization, or prepaid or
19 eligible organization (as the case may be) maintain
20 the following written policies and procedures with re-
21 spect to all unemancipated minors receiving medical
22 care by or through the provider or organization (or
23 prospective patient or resident, with respect to the
24 provider or organization, who is an unemancipated
25 minor):

1 “(A) A do-not-resuscitate order or similar
2 physician’s order shall not be instituted, either
3 orally or in writing, unless at least one parent
4 or legal guardian of such unemancipated minor
5 has first been informed of the physician’s intent
6 to institute such an order and a reasonable at-
7 tempt has been made to inform the other par-
8 ent if the other parent is reasonably available
9 and has custodial or visitation rights. Such in-
10 formation must be provided both orally and in
11 writing unless, in reasonable medical judgment,
12 the urgency of the decision requires reliance on
13 only providing the information orally. Oral pro-
14 vision of such information shall include speak-
15 ing to at least one parent or legal guardian in
16 person or on the telephone, and shall not be
17 limited to recorded voice messages. Provision of
18 such information shall include at least 72 hours
19 of diligent efforts made by the physician or pro-
20 vider to contact and notify at least one parent
21 or legal guardian. The provision of such infor-
22 mation shall be contemporaneously recorded in
23 the medical record of the unemancipated minor,
24 specifying by whom and to whom the informa-
25 tion was given, the date and time of its provi-

1 sion, and whether it was provided in writing. In
2 the case that only one parent has been in-
3 formed, the nature of reasonable attempts to
4 inform the other parent or the reason why such
5 attempts were not made shall be contempo-
6 raneously recorded in the medical record of the
7 unemancipated minor.

8 “(B) Either parent of the unemancipated
9 minor or the unemancipated minor’s guardian
10 may refuse consent for a do-not-resuscitate
11 order or similar physician’s order for the une-
12 mancipated minor, either in writing or orally.
13 Any such refusal of consent must be contem-
14 poraneously recorded in the medical record of
15 the unemancipated minor. No do-not-resuscitate
16 order or similar physician’s order shall be insti-
17 tuted either orally or in writing if there has
18 been such a refusal of consent.

19 “(C) The provider shall not have the au-
20 thority to require the withholding or withdrawal
21 of life-sustaining procedures from an unemanci-
22 pated minor over the objection of the parent or
23 legal guardian, unless electronic brain, heart,
24 and respiratory monitoring activity conclusively
25 establishes that the minor has died. There shall

1 be a presumption that the continuation of life
2 is in the minor's best interest.

3 “(D) Within 48 hours of being notified of
4 the intent to institute a do-not-resuscitate order
5 or a similar physician's order according to sub-
6 paragraph (A), a parent or legal guardian may
7 request a transfer of the unemancipated minor
8 patient or resident to another facility or dis-
9 charge. If a transfer is requested by a parent
10 or legal guardian, the hospital or health care fa-
11 cility under whose care the unemancipated
12 minor is admitted must continue provision of
13 artificial life-sustaining procedures and life-sus-
14 taining artificial nutrition and hydration for a
15 minimum of 15 days after the transfer request
16 has been made known and make every reason-
17 able effort to assist the requesting parent or
18 legal guardian in the transfer process. The hos-
19 pital or health care facility's duties and finan-
20 cial obligations regarding transfer shall be gov-
21 erned by existing State law, applicable rules or
22 regulations, hospital policy, and relevant third-
23 party payment contracts.

24 “(E) Upon the request of a patient or resi-
25 dent or a prospective patient or resident, the

1 provider of services or organization shall dis-
2 close in writing any policies relating to the pa-
3 tient or resident or the services the patient or
4 resident may receive involving resuscitation or
5 life-sustaining measures, including any policies
6 related to treatments deemed non-beneficial, in-
7 effective, futile or inappropriate, within the pro-
8 vider of services or organization. Nothing in
9 this subparagraph shall require a provider of
10 services or organization to have a written policy
11 relating to or involving resuscitation, life-sus-
12 taining or non-beneficial treatment for uneman-
13 cipated minor patients or adult patients, resi-
14 dents or wards.

15 “(6) In applying paragraph (5)(A), a deter-
16 mination based on “reasonable medical judgement”
17 shall not be solely based on disability alone or the
18 view that the life of a person with a disability is of
19 lower value or of lower quality than that of a person
20 without a disability regardless of whether the per-
21 son’s disability is pre-existing or newly acquired and
22 therefore must not serve as the sole basis for the do-
23 not-resuscitate order or similar physician’s order un-
24 less treatment is determined to be physiologically fu-

1 tile and supported with objective evidence that is
2 documented in the patient's records in writing.”.

3 (2) CONFORMING AMENDMENTS.—

4 (A) Section 1866(a)(1)(Q) of the Social

8 (b) MEDICAID STATE PLAN REQUIREMENT —

12 “(6) For purposes of subsection (a)(57) and
13 sections 1903(m)(1)(A) and 1919(c)(2)(E), the re-
14 quirement of this subsection, in addition to para-
15 graph (1), is that a provider or organization (as the
16 case may be) maintain the following written policies
17 and procedures with respect to all unemancipated
18 minors receiving medical care by or through the pro-
19 vider or organization (or prospective patient or resi-
20 dent, with respect to the provider or organization,
21 who is an unemancipated minor);

“(A) A do-not-resuscitate order or similar physician’s order shall not be instituted, either orally or in writing, unless at least one parent or legal guardian of such unemancipated minor

1 has first been informed of the physician's intent
2 to institute such an order and a reasonable at-
3 tempt has been made to inform the other par-
4 ent if the other parent is reasonably available
5 and has custodial or visitation rights. Such in-
6 formation must be provided both orally and in
7 writing unless, in reasonable medical judgment,
8 the urgency of the decision requires reliance on
9 only providing the information orally. Oral pro-
10 vision of such information shall include speak-
11 ing to at least one parent or legal guardian in
12 person or on the telephone, and shall not be
13 limited to recorded voice messages. Provision of
14 such information shall include at least 72 hours
15 of diligent efforts made by the physician or pro-
16 vider to contact and notify at least one parent
17 or legal guardian. The provision of such infor-
18 mation shall be contemporaneously recorded in
19 the medical record of the unemancipated minor,
20 specifying by whom and to whom the informa-
21 tion was given, the date and time of its provi-
22 sion, and whether it was provided in writing. In
23 the case that only one parent has been in-
24 formed, the nature of reasonable attempts to
25 inform the other parent or the reason why such

1 attempts were not made shall be contemporaneously recorded in the medical record of the
2 unemancipated minor.

3 “(B) Either parent of the unemancipated minor or the unemancipated minor’s guardian may refuse consent for a do-not-resuscitate order or similar physician’s order for the unemancipated minor, either in writing or orally. Any such refusal of consent must be contemporaneously recorded in the medical record of the unemancipated minor. No do-not-resuscitate order or similar physician’s order shall be instituted either orally or in writing if there has been such a refusal of consent.

4 “(C) The provider shall not have the authority to require the withholding or withdrawal of life-sustaining procedures from an unemancipated minor over the objection of the parent or legal guardian, unless electronic brain, heart, and respiratory monitoring activity conclusively establishes that the minor has died. 5 “(D) Within 48 hours of being notified of the intent to institute a do-not-resuscitate order

1 or a similar physician's order according to sub-
2 paragraph (A), a parent or legal guardian may
3 request a transfer of the unemancipated minor
4 patient or resident to another facility or dis-
5 charge. If a transfer is requested by a parent
6 or legal guardian, the hospital or health care fa-
7 cility under whose care the unemancipated
8 minor is admitted must continue provision of
9 artificial life-sustaining procedures and life-sus-
10 taining artificial nutrition and hydration for a
11 minimum of 15 days after the transfer request
12 has been made known and make every reason-
13 able effort to assist the requesting parent or
14 legal guardian in the transfer process. The hos-
15 pital or health care facility's duties and finan-
16 cial obligations regarding transfer shall be gov-
17 erned by existing State law, applicable rules or

3 effective, futile or inappropriate, within the pro-
4 vider of services or organization. Nothing in
5 this subparagraph shall require a provider of
6 services or organization to have a written policy
7 relating to or involving resuscitation, life-sus-
8 taining or non-beneficial treatment for uneman-

10 dents or wards.

11 “(7) In applying paragraph (6)(A), a deter-
12 mination based on “reasonable medical judgement”
13 shall not be solely based on disability alone or the
14 view that the life of a person with a disability is of
15 lower value or of lower quality than that of a person
16 without a disability regardless of whether the per-
17 son’s disability is pre-existing or newly acquired and
18 therefore must not serve as the sole basis for the do-
19 not-resuscitate order or similar physician’s order un-
20 less treatment is determined to be physiologically fu-
21 tile and supported with objective evidence that is
22 documented in the patient’s records in writing.”.

22 medical assistance under title XIX of the Social

24 Human Services determines requires State leg-
25 islation (other than legislation appropriating

1 funds) in order for the plan to meet the addi-
2 tional requirement imposed by the amendments
3 made by this subsection, the State plan shall
4 not be regarded as failing to comply with the

6 its failure to meet this additional requirement
7 before the first day of the first calendar quarter
